

REMARKS

Claims 1-4 and 6-27 are pending in this application. Claims 1-4, 6-24 and 27 are allowed. Claims 25 and 26 stand rejected. Applicant has amended claims 25 and 26. Support can be found in the claims and specification as originally filed. Reconsideration and allowance in view of the following amendments and remarks are requested.

Claim Rejections – 35 U.S.C. § 102

Claims 25-26 are rejected under 35 U.S.C. § 102(b) as being anticipated by Albuquerk et al. (5929848).

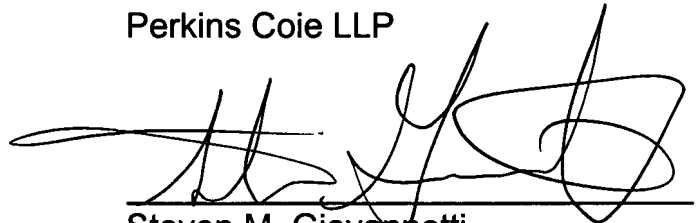

In order to expedite prosecution, Applicant has amended claims 25 and 26. In view of the above amendments, Applicant submits that the above rejection is rendered moot. Specifically, claim 25 has been amended to include, *inter alia*, "preset entry trigger records wherein said entry trigger records comprise a corresponding relationship between predefined marking information and a predefined entry trigger service." Such element is not taught or suggested by the disclosure of Albuquerk et al.

As such, the disclosure of Albuquerk et al. does not anticipate the above referenced claims and Applicant has overcome the rejections in the present office action. Thus reconsideration and withdrawal of the above rejection is respectfully requested.

CONCLUSION

In view of the foregoing, it is submitted that this application is in condition for allowance. A Notice of Allowance is hereby respectfully requested. If the Examiner has any questions or matters that can be expediently handled by telephone, he is encouraged to contact the undersigned at (310) 788-3231.

Respectfully submitted,
Perkins Coie LLP
